

STREET MILLING AND PAVING

MEDIA ALERT
July 28, 2025

CHILLICOTHE, OH – City Engineer Dean Carroll has announced this year’s street milling and paving program will begin on Tuesday, July 29th, 2025. Weather permitting, milling will begin on Yaples Orchard Drive the morning of July 29th. Residents are advised to watch for ‘No Parking’ signs, as these areas will be strictly enforced.

Streets Included

- Yaples Orchard Drive
- Stoneridge Drive (Between Western and Timberview)
- Hanover Drive (Between Stoneridge and Almahurst)
- South Sugar Street (Between East 7th and East 5th)
- Shawnee Drive
- Carlisle Hill
- Old Eastern Avenue
- Bellcrest Lane
- Warner Avenue

Advisory for Motorists

While crews are at work, motorists should exercise caution on these streets. Motorists are also advised to use alternate routes and entrances/exits to local businesses while work occurs. **Residents will still be able to access their homes, though brief delays may occur.**

Chillicothe Engage
